Reading Notices & Brief Reviews.

Unavoidable Delay.

I shall I think be excused for the lateness in issuing this number for the following regretable reasons I have had an attack of "La Grippe" this winter and resumed my duties too soon resulting in a relapse of it with complications of Bronchitis, I am now feeling much better in health myself, but on Monday morning at 8-20 April 25th. after a long and painfull illness my dear wife departed this life. Therefore philatelic matters have consequently been suspended.

Yours Faithfully,

JOHN EDWARDS

P.O. Box 379, Montreal, Canada.

Looking forward with a eye to business. That enterprising firm Messrs Harry Hilckes & Co., London, England, are especially desirious of pleasing philatelists and the stamp trade in general, commencing Christmas 1898 and New Years 1899. *New and Original Philatelic Christmas Cards* are sure to have an immense sale for what could be more pleasing to the philatelic recipient than something unique and original in the form of a beautiful Philatelic Card, with Christmas and New Years greetings.

The price of these beautiful cards in packets of 12 different designs all philatelically original and appropriate is only 4 s. / 6d. or $1.08 this being only nine cents per card. Each series 1, 2, 3, etc., contain 12 different cards I will mail single specimens of these cards to any stamp collector or stamp dealer on receipt of 12c. in stamps.

Being headquarters in Canada for these novelties, would advise interested Collectors, Publishers, Dealers, Stationers and the trade in general to enclose 12c. for specimen card and further particulars and quotations on largers orders.

Mr. J. Edwards, P.O. Box 379, Montreal, Canada.

Dear Sir,

Please find enclosed the sum of 85 cents being the yearly subscription price to "*Antiquarian Gossip*" specimen copies are 12 cents Post Free.

The Montreal Philatelist is a new Canadian Philatelic Monthly and makes a good start, the more the merrier is often said of stamp papers. Bro Bach might have chosen a more suitable title "The Metropolitan Philatelist of Canada," would have been my idea the fact is too often lost sight of that Montreal is the Metropolis of the Dominion of Canada. Mr. Bach claims for his new venture that it is the best German American Philatelic Stamp Paper in the world. It would have been better policy to have said we shall endeavor to make this publication the best German. — *American Stamp Paper in the world.*

Combination Subscription. Offers or clubbing rates so-called of American Philatelic Monthlies run about as follows, taking 25 cts as the annual subscription to the United States Canada and Mexico.

1 paper per year 25c, 2-35c 3-50c., 4-60c. Foreign subscriptions about 15% extra for postage.

I would refer all recipients of this publication to my list of American Philatelic publications found elsewhere select any of them and combine at the above rates Edwards Philatelic Press List and General Advertiser of Stamps, Curios, Etc., and "The Montreal Philatelist" 1 year 30c. Postal Union Countries 35c. with "The Virginian Philatelist 50c., other combination rates on terms equally cheap.

Regarding the above combination rates it must be understood that you must select and name philatelic publications wanted and remit payment for them. Sample copy distribution in connection with rock bottom price clubbing rates will only be considered on the following terms 6 papers all different mailed as sample copies sent to any address on receipt of 10 cents to cover postage.

"Le Moniteur Philatelique"

of *Gand Belgium.*

PRINTED IN FRENCH.

Le Moniteur Philatelique is a most excellent production quality of paper printing and binding is of the best, it is profusely illustrated and its descriptive matter of stamps Chronicle of New Issues. Auction Reports &c. make up a most desirable monthly. I notice that the advertising pages are well patronized.

"Jornal Philatelico"

of *S. Paulo Brazil.*

PRINTED IN SPANISH.

This publication is especially well represented throughout the world by *agents* and consequently gets its full quota of advertisements.

Its items of interest, illustrated and descriptive matter, chronicle of new issues, &c., should be carefully reviewed by those master of the *Spanish Language* to be thoroughly appreciated or justly criticised.

"O'Colleccionador De Sellos"

Revista Mensal of

S. Paulo Sorocaba Brazil.

PRINTED IN SPANISH.

edly the best publication I receive from Brazil, it is to use that French phrase a philatelic publication *par excellence.*

PRINTED IN GERMAN. A sixteen page and cover monthly, artistic in appearance, profusely illustrated, printed on good paper and contents fully up to the Standard, its advertising patronage good.

Mr. Gladstone's Last Literary Work.

The last finished literary work of William E. Gladstone was his eloquent and tender tribute to the memory of Arthur Henry Hallam, the friend of his school-days, and thereafter until his untimely death. The article was the last of five which Mr. Gladstone had at different times written expressly for THE YOUTH'S COMPANION, and appeared recently. The final revision of the article, in the venerable statesman's own handwriting, was concluded in November, 1897. Such a tribute from a man of eighty-eight, whose statesmanship has made a profund and enduring impression upon the civil history of the world, to a youth of twenty-two who had been sixty-four years in his grave, is probably unexampled in litterature. The entire manuscript of this article is perhaps the most precious of the many rare autographs possessed by the publishers of THE YOUTH'S COMPANION.
